

# DHRUV MAHESH NAVADIYA

## Aspiring Software Developer

+917718074725    dhruvnavadiya1209@gmail.com    www.linkedin.com/in/dhruv-navadiya    Bhayander, Mumbai, India

### SUMMARY

I am an aspiring software developer specializing in artificial intelligence and data science. Currently pursuing my B.Tech, I have developed various projects and gained valuable experience as an App Development Intern, where I designed mobile applications using Flutter and Firebase. I am passionate about creating effective solutions to improve user experience

### EXPERIENCE

#### App Development Intern

##### Flutter Android Development

01/2023 - 03/2023    Mumbai

Internship focused on mobile application development

- Designed and deployed 2 mobile applications using Flutter and Firebase, reducing project delivery time by 25%
- Integrated REST APIs for seamless data exchange between mobile apps and databases
- Collaborated with a team of 3 developers to build scalable, user-friendly applications

### EDUCATION

#### Bachelor of Technology

##### K J Somaiya Institute of Technology

08/2023 - 05/2027    Mumbai

#### Higher Secondary Certificate

##### Sardar Vallabhbhai Patel Vidyalaya and Jr. College

06/2021 - 05/2023    Mumbai

#### Secondary School Certificate

##### The Saraswati Vidyalaya

06/2019 - 05/2021    Mumbai

### KEY ACHIEVEMENTS

#### Departmental Projects

Currently working on two departmental projects, one IoT based and another academic based

### SKILLS

Java	CSS	Dart	Django
Flask	Flutter	Git	GitHub
Google Firebase		HTML	IoT
JavaScript	OpenCV	Python	
React	REST	SCSS	

### PROJECTS

#### Translator

02/2024 - 03/2024

Personal Project | Tools: Google Cloud Translation API, JavaScript/HTML/CSS

- Built a mobile-friendly translation tool using Google Cloud Translation API for real-time support in 180+ languages.
- Prioritized performance, responsiveness, and accuracy to deliver fast and reliable translations for diverse user needs.
- Enabled real-time bidirectional text translation to support global communication and language accessibility.

#### QUIZORA

02/2023 - 01/1970

Web application aimed at improving assessment processes

- Improved a web app using HTML, CSS, Firebase, and Flask to modernize assessment for teachers
- Integrated Firebase Authentication with secure login/logout, email verification, and real-time user data handling
- Integrated AI-based quiz and feedback system to automate assessments and boost engagement
- Deployed as a departmental project
